1. Where have you travelled? これまでどこに旅行したことがありますか？

I've travelled to various places, including Australia, New Zealand, Japan, and parts of Europe like Italy and France. Each destination had its own unique charm, and I love exploring different cultures and landscapes.

2. What outdoor activity have you participated in? どんな野外活動に参加したことがありますか？

I've participated in a variety of outdoor activities, including skiing, hiking, snorkelling, and kayaking. One of my favourite experiences was hiking in the mountains of New Zealand and skiing in the Australian Alps.

3. How do you usually explore a new destination? Do you prefer outdoor adventures or cultural experiences? どの様にしていつも新しい目的地を探索しますか？ あなたは野外アドベンチャーと文化体験どちらが好きですか？

I enjoy a mix of both. When I visit a new destination, I like to start by exploring its natural beauty through outdoor adventures, like hiking or biking. But I also make sure to experience the local culture, visiting museums, attending cultural festivals, or trying local foods.

4. Have you ever travelled somewhere that completely surprised you in terms of natural beauty? あなたはこれまで自然の美しさに驚くような場所に旅行したことがありますか？

Yes, Queenstown in New Zealand completely surprised me with its stunning landscapes. The combination of towering mountains, clear lakes, and adventurous activities was beyond what I had imagined. The raw beauty of the place left a lasting impression on me.

5. What's one outdoor activity you've always wanted to try but haven't yet? ずっと挑戦したかったが、まだ経験できていないアウトドア活動は何ですか？

I've always wanted to try skydiving but haven't had the chance yet. The idea of jumping out of a plane and experiencing the free fall over a scenic landscape like Queenstown is something I hope to do one day.
